**Notes:** Impressive carcase length in a top 4% calving ease and birth weight sire. You wont miss out on carcase excellence in this sire with +2.5 IMF and positive fat. He is from one of Reiland's top donor cows.

**Notes:** A clean made, muscular sire from the infamous E69 donor who has bred so many elite bulls and females. A son topped at \$16,000 in autumn. Outstanding Calving Ease and Days to Calving in top 10% ensure your herd fertility is focus according to industry renown geneticist Dr David Johnston AGBU. Positive fats on such an efficient animal are rare. A very effective outcross for many herds.

**Notes:** A quality skinned sire with an immense potential to produce production females and high yield steers given +1.1 for Retail Beef Yield. Positive calving ease at +5.8 combines with top 5% milk at +24. A front paddock sire.
